Jeremy,

I received your email with regards to receiving documents by CD rather than hardcopy. Per a review of our distribution list we do not show that the LWG provides you with copies of LWG produced documents. Is it possible that you are receiving copies by internal distribution at Fish and Wildlife?

Please let know if I can further assist with this situation.

Thank you,  
Jen Woronets ☺

Eric-

Please inform the powers that be at LWG that I do not need hard copies of the reports/documents. A CD will suffice, or just a notice that the report has been released, and I will obtain reports off the portal.

Thanks -Jeremy
